HALO Office

HALO Office brings lasting beauty and innovation to your workspace. Desk surfaces are encircled by the HALO edge, providing unique protection with patent-pending impact-resistance. Any chair striking the worksurface edge is deflected from damage by Halo's remarkable perimeter profile. The desk surface is equally protected with adjustable-height controls cleanly integrated into the HALO edge. Modern storage components as can be configured to meet any need. Thoughtful modules create perfectly-tailored solutions to your unique office.

Product Design Consultant | Gensler

Defy gravity with an adjustable-height cantilevered desk surface.

LEFT | Layer modern materials to create texture, richness, and depth.

RIGHT | Patented thin wood shelving supports full loads.

Adjustable-height innovation meets modern, timeless design.
